What is COP?

The COP is the Conference of the Parties to the United Nations on climate change and is the supreme decision-making body of the UNFCCC, i.e United Nations Framework Convention on Climate Change.

The Convention entered into force in 1994.

Since then, governments have met annually at the COP to define the progress needed to address the climate crisis.

OUR GOALS

TO RAISE THE VOICE OF YOUNG PEOPLE, ENCOURAGE YOUTH PARTICIPATION IN CHURCH, INVOLVE YOUNG PEOPLE IN THE PROJECT

TO OFFER ACCESSIBLE AND EMPOWERING SOLUTIONS TO CLIMATE AND ENVIRONMENTAL ISSUES

TO CREATE NETWORKS OF PEOPLE TAKING ACTION WITHIN CHURCHES

METHODIST YOUTHS FOR COP26

The project is part of a path of commitment of the Methodist churches in the world for climate justice and aims to promote different initiatives for change, to speak with a global voice, prioritising voices from the global south and climate refugees. The initiative was launched by the British Methodist Church in collaboration with JPIT (Joint Public Issues Team) and All We Can (Methodist Relief and development) and, on the Italian side, OPCEMI with the aim of meeting and raising awareness among Methodist churches and organisations (and partners) at national and international level.

Importantly this project is led by young people who will run the activities in each country.

GLOBAL TEAM

Our task is to develop the vision, branding, strategy and resources for a high-impact youth-led campaign that encourages Methodist people and churches around the world to engage more deeply with climate justice, in collaboration with international partners. Each and every one of us will bring different perspectives to the common project, thanks to our experience and expertise and our passion for safeguarding Creation.
