

Our brothers and sisters in Ukraine and Russia are suffering. At our Council meeting held in Hamburg from 30th September to the 4th October we provided a safe space to share and listen to each other in a Spirit of love and respect. We heard from member Churches who are deeply impacted by the war in Ukraine. When one part of the Body of Christ is suffering, the whole body suffers. United in Christ, we grieve and pray together.

As Methodist, Wesleyan and Uniting Churches in Europe we remain sisters and brothers across all divides and we renew our determination to be peacemakers in Europe today.

”Blessed are the peacemakers for they will be called the children of God.”
Matt. 5v9
